## 3 Navigation using valid Login ID and Password

### 3.1 Login using Valid User ID

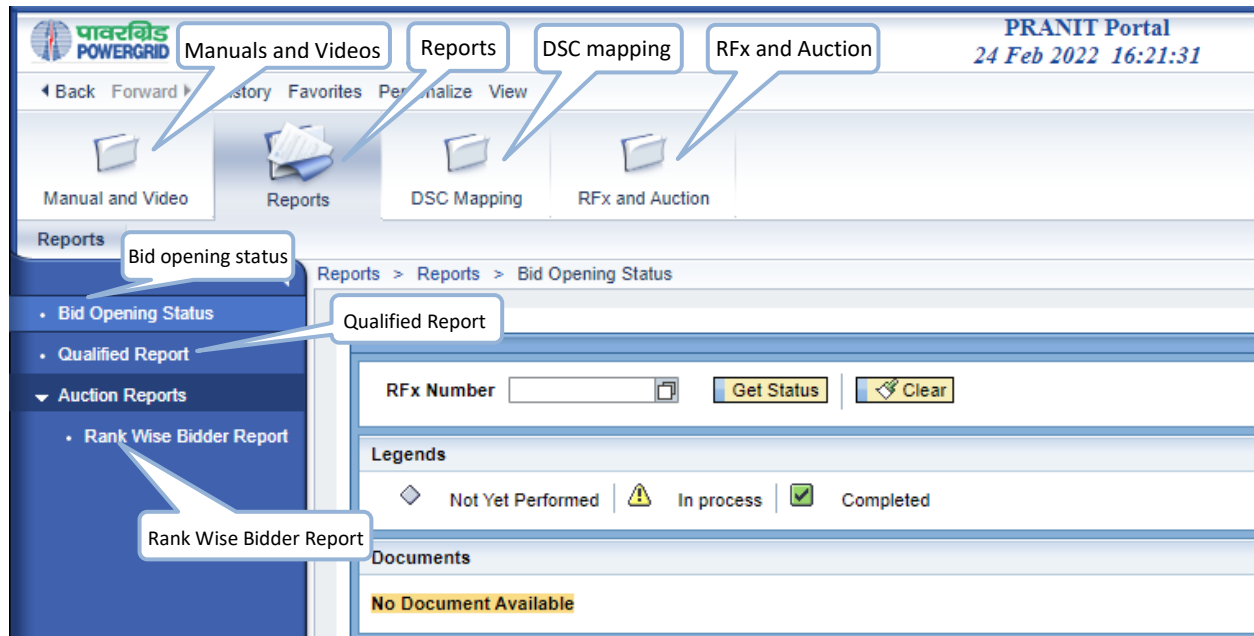

Bidders who already have valid Login ID (12 characters starting with V and ending with POWERGRID allocated Vendor code) and Password can login in PRANIT portal <https://etender.powergrid.in>

### 3.2 RfX and Auctions Tab

After login, user can view the Current (Open) Event/RfX/Tender and Limited Tenders in which respective Bidder has been added in Limited RfX/Tender. For response submission procedure, refer the manuals and videos available in web link [https://etender.powergrid.in/new\\_logon2/User\\_Help\\_Menu.html](https://etender.powergrid.in/new_logon2/User_Help_Menu.html)

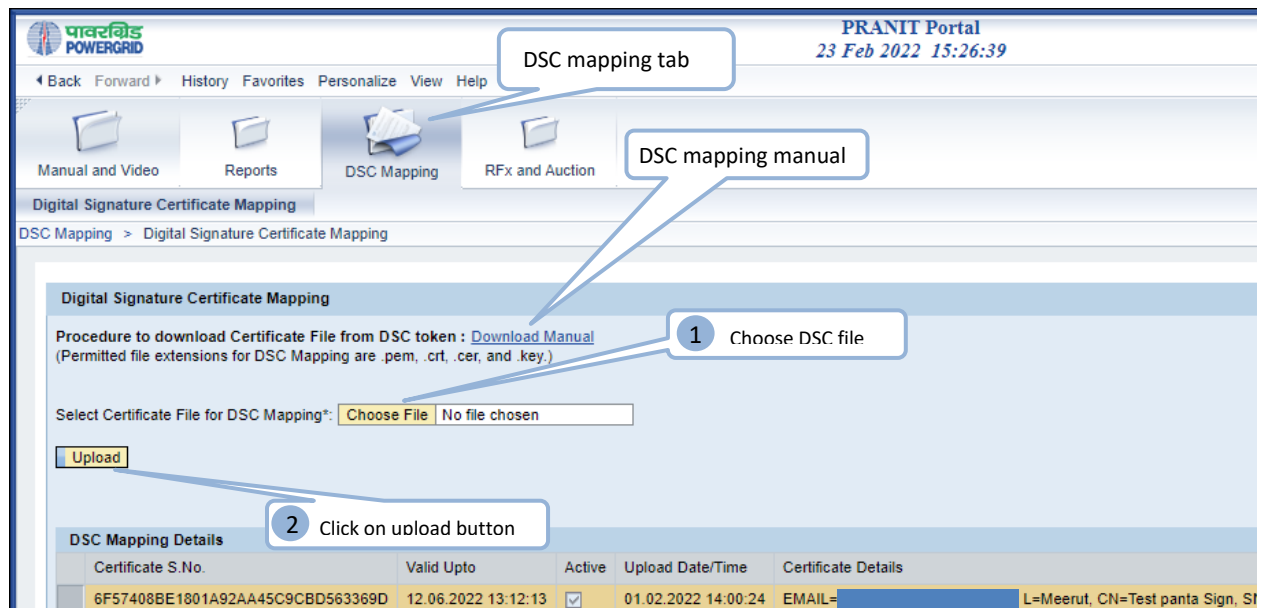

### 3.3 Reports

Bidder can view Bid Opening Status, Qualified Report and Rank Wise Bidder Report of an RfX for which Bidder has participated.

### 3.4 DSC Mapping

Bidder need to upload the signing certificate of DSC being used. Bidder may refer DSC certificate download and mapping manual available at the link highlighted below.

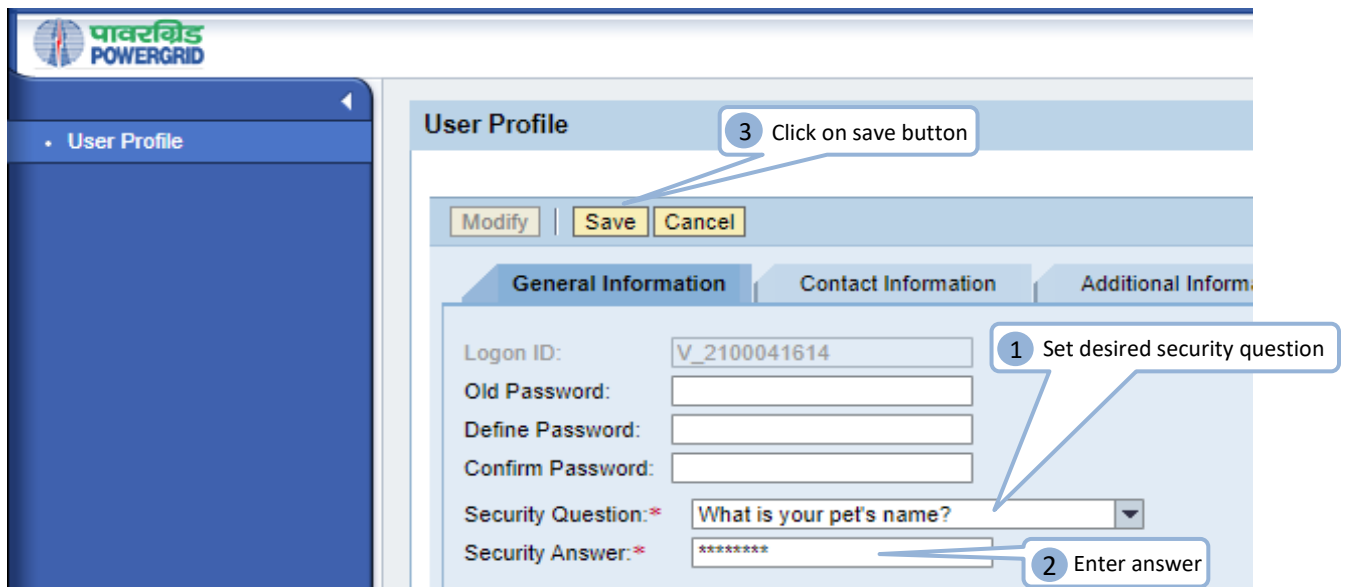

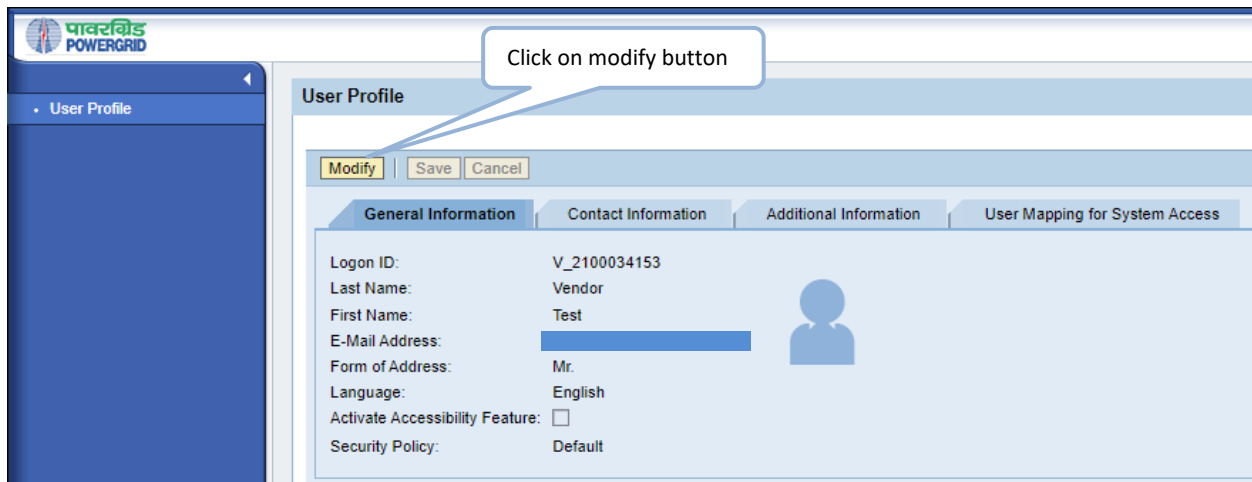

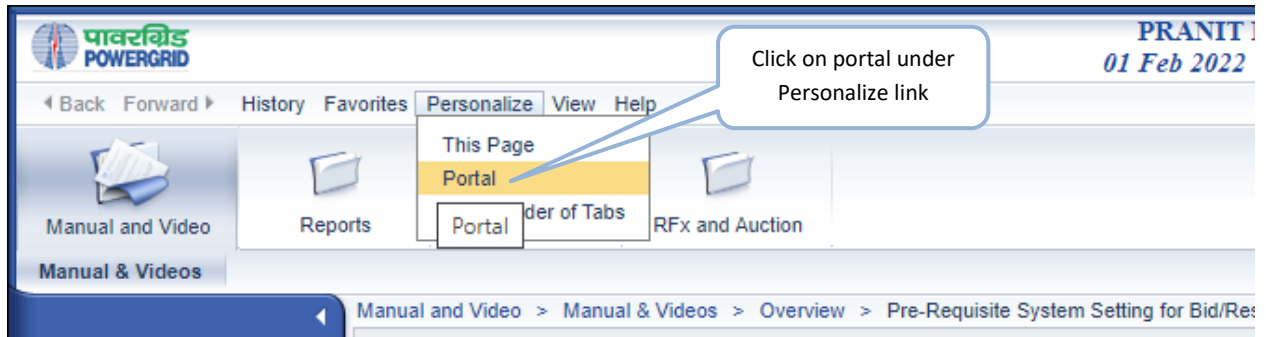

### 3.5 Manual and Video

Bidder may refer the Pre-Requirement System Settings, E-tendering and E-reverse Auction Manuals and videos in this section.

## 4 Set Security Questions

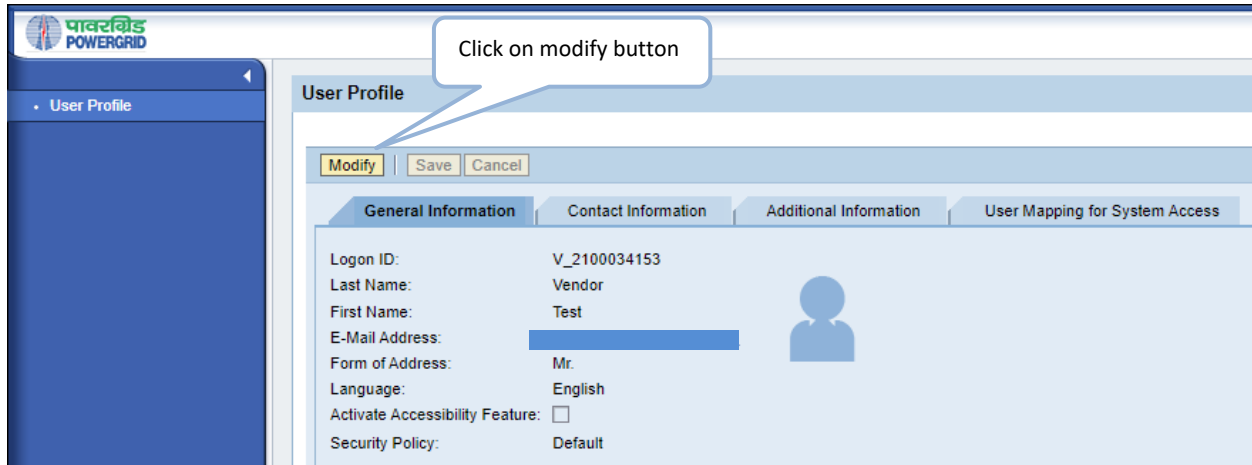

Bidder must set their Security Questions and do keep note of Security Question and Answer set, as the same shall be required for Password Reset. Go to Personalize > Portal > Modify > Set your desired security question from dropdown list, enter your answer and click on Save button.

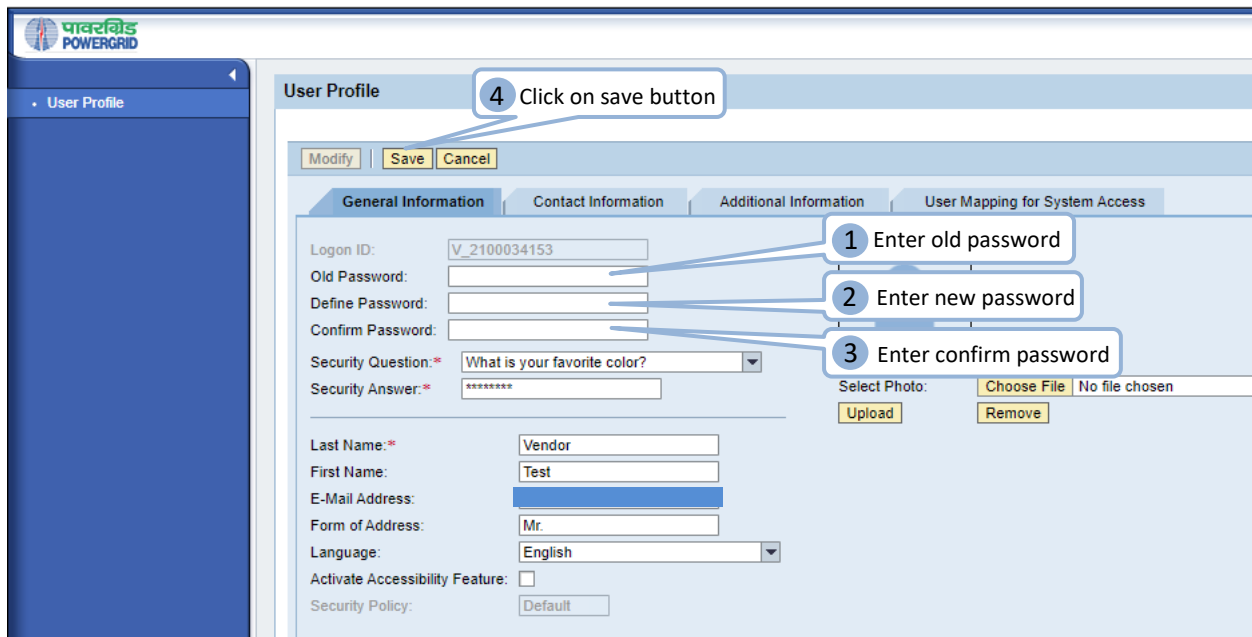

## 5 Change Password

If Bidder wants to change his old password to new one, Bidder can go to Personalize > Portal > Modify > Enter Old password, Define password, Confirm password and click on Save button.

The screenshot shows the 'User Profile' page in the Power Grid system. The 'Modify' button is highlighted with a callout box that says 'Click on modify button'. The page displays user information under the 'General Information' tab, including Logon ID, Last Name, First Name, E-Mail Address, Form of Address, Language, and Security Policy.

Field	Value
Logon ID:	V_2100034153
Last Name:	Vendor
First Name:	Test
E-Mail Address:	[Redacted]
Form of Address:	Mr.
Language:	English
Activate Accessibility Feature:	<input type="checkbox"/>
Security Policy:	Default

The screenshot shows the 'User Profile' page with the password change form. The 'Save' button is highlighted with a callout box that says '4 Click on save button'. The form includes fields for Old Password, Define Password, Confirm Password, Security Question, Security Answer, Last Name, First Name, E-Mail Address, Form of Address, Language, and Security Policy. There are also buttons for 'Choose File', 'Upload', and 'Remove'.

- 1 Enter old password
- 2 Enter new password
- 3 Enter confirm password
- 4 Click on save button
