#### Some important facts about Price Attachment

- Bidder is allowed to upload one MS Excel file in price attachment section. For details refer to the bidding document of concerned RFx.
- Bidder can delete uploaded file and re-upload new file in case any changes are to be made in the already uploaded file.
- Allowed file extensions .xls and .xlsx, (i.e. only excel format).
- The MS Excel sheet containing prices is to be filled as per the instructions provided in the Template/Bid documents uploaded by POWERGRID.
- The MS Excel file containing prices is strictly to be added/uploaded only under the head Price Attachment.
- The price attachment is signed digitally and purchaser can view this file only after the Price opening.

#### **Technical Attachments**

All the relevant documents (as mentioned in the bid documents) other than MS Excel Template containing Prices are to be uploaded in Technical Attachments->Add Attachment. These documents are also digitally signed and can be viewed by the purchaser after Technical Opening. Click on Add Attachment to upload the relevant files.

**NOTE** - It is mandatory to attach an MS Excel with name "First Envelope and Bid Forms" in Technical Attachments.
